

# HEAT TRANSFER PRINTER GUIDE

Your guide to our favorite heat transfer printers!

# Low Maintenance Personalized Printing!

Adding a heat transfer to your sublimation business is painless! Just add a heat transfer printer and a few supplies and you'll be up and rocking. A heat transfer printer is almost maintenance free...no nozzle and head checks or cleanings. Add the ability to print white on dark items such as black shirts, bags, AND paper for invitations, and heat transfer is a great way to grow your business!
