ECONOMY SNEEZE GUARD & DIVIDER SOLUTIONS

Our freestanding economy sneeze guards are lightweight yet sturdy and easy to move from location to location. These guards are ideal for desks, table tops, and other modular environments.

The high-quality, visually clear acrylic maintains a protective physical barrier for teachers and students while still allowing for interaction. The barriers come with a 4" X 10" access cut out at the bottom for homework, document, or item exchange.

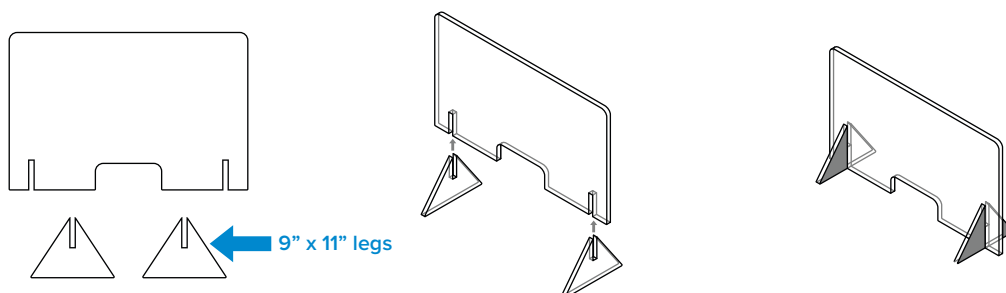

Economy Guard

PRODUCT SPECS:

- **SIZES:** 23.75" x 23.75", 23.75 x 35.75", 23.75 x 47.75", 30" x 36, and 30" x 48"
- **PASS-THROUGH WINDOW:** 4" x 10"
- **MATERIAL:** 1/8" Clear acrylic plastic
- **SHIPPING:** Packed flat and free freight excluding 42" and up
- **MOBILE:** Freestanding unit is easy to move and position with no counter damage
- **KITS INCLUDE:** Easy-to-assemble acrylic pieces, including 9" x 11" acrylic legs

READY-MADE SAFETY SIGNAGE.

As communication and safety has become critical, we've created signs to support businesses and education institutions to share important health and safety information.

From social distancing to hand washing, signs communicate vital safety information. Our offering of safety signs meet the needs for many businesses and schools to fit a variety of applications related to current events. Our signs are fabricated from lightweight, waterproof 1/32" plastic, making them easy to install, clean and sanitize. Great for indoor applications.
